**ABOUT THE HAWKEYE DOWNS SHORTHORN AND
POLLED SHORTHORN CLUB, INC.**

At the March, 1967 meeting of consignors before the Hawkeye Downs sale, Mr. Earl Girton announced his intention to retire from the management of these sales, after his fiftieth sale, in Sept. A meeting of all consignors from March, 1963 to March, 1967 was called for April 1, 1967, with an attendance of thirty-three members. At this meeting, seven directors were elected, and Allan Johnson elected sale manager, beginning in 1968. It was also decided at this time to become an incorporation.

Directors elected were: KaDel Urice, Bill Anderson, Otis Rothlisberger, Ralph Stirm, Paul Setterdahl, Bob Raisbeck and Don Torgerson.

At a directors' meeting in October, incorporation articles were discussed, and will be voted on at the annual meeting. Officers were also elected, with Urice elected president, Rothlisberger, vice-president, and Johnson, secretary-treasurer, as a non-voting board member.

It is the intention of the board and sale manager that this organization will continue to hold outstanding Shorthorn sales, and to promote the Shorthorn industry. This can only be done by the continued co-operation and effort of the members and board.

General Information

TIME: Saturday, March 9, 1968. Show at 8:30 A.M., Sale at 11:30 A.M.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa on U.S. 30, and U.S. 218. On paved roads between Cedar Rapids, and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerks act only as agents for the consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. We will follow the practice of giving the consignor the opportunity to state a "reserve bid" or have the auctioneer announce "No Sale" on any animals. In case of a "no sale", the seller pays the regular pro rata sale expense, but there will not be any manager's fee. However, if any animals are "By-bid", there will be due the manager's fee. It is our hope this would discourage this practice.
6. A certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives, or call them the day of the sale.
9. Auctioneer: J.E. Halsey, Des Moines, Iowa.
10. Special Representatives: Gene McDonald of the Shorthorn World, Tom Sherlock, Wallace Farmer; Sherman Berg, American Shorthorn Ass'n and Wayne Farnum, Victor, Iowa.
11. Clerk: Keith Noll, Vice-President, Peoples Bank and Trust Company, Cedar Rapids, Iowa.
12. Veterinarian: Dr. O.R. Corbett DVM, Vinton, Iowa.
13. Sale Manager: Allen A. Johnson, R2, Vinton, Iowa, Phone, 319 - 472 - 2963. Ass't Manager, Earl S. Girton, Box 732, Marshalltown, Iowa.
14. The sale manager or others may be reached by phone listed at Hawkeye Downs, 6th Street, 363-4341.
15. Livestock insurance maybe obtained in the American Livestock Insurance Co. Talk to the sales manager.

An Evening of Special Entertainment

I urge everyone to be with us for our dinner meeting at the Holiday Inn, Cedar Rapids, March 8, 1968 at 6:30 P.M. This will be a buffet dinner, and they have promised all you can eat. A short business meeting will primarily consist of adopting a set of by-laws for our new organization.

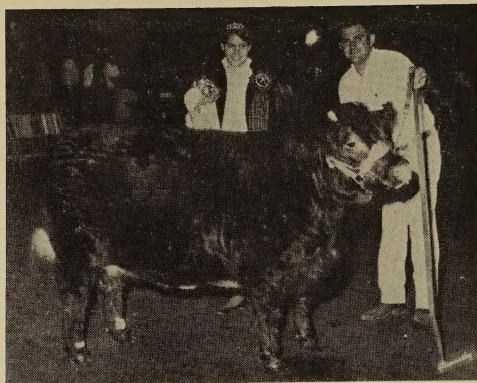

We have been very fortunate in obtaining Bob Rust, Extension Meats Specialist, from Iowa State University, to give a presentation on his recent study of live animal and carcass comparisons. He will be using the slides so highly publicized of the cross sections of the frozen steer. No doubt some of you have seen these before, but, without a doubt, a second viewing will reveal points you may have missed at the first showing.

I strongly feel that we who are in the Shorthorn business should employ every tool possible to aid in our respective breeding programs. I urge everyone to think seriously of a performance testing program. This presentation is certainly related to one of the major tools we need to consider.

I hope to see many of you at the Holiday Inn, at 6:30 P.M. March 8!

KaDel Urice
President, Hawkeye Downs
Shorthorn & Polled Shorthorn
Club

Headquarters: Holiday Inn, Phone 319 - 365-9441.

DON CAGWIN at the halter of another Royal Tartan winner. A very familiar sight wherever good Shorthorns are shown. We feel most fortunate to have this most capable young manager to judge our show this year. Through his selection and management, the Royal Tartan herd has developed into a very important segment of the Shorthorn industry.

LO REX KINROSS PREFECT 8TH x - Is a dark, all-red bull with good conformation, good bone, full quarters, desirable feeder head, and a good disposition. Gloriadale Constructor had been certified in the Ontario Testing Program when he sold for \$3600 in their near dispersion. Grand Security sired the highest index Shorthorn bull at the Iowa Testing Station. This heifer weighed 485 lbs. on Thanksgiving Day and has continued to do well although she has been in the lot with the older heifers and fed a limited grain ration. *Sale Manager's note - This is a horned heifer, but note the outstanding Polled bloodlines in her pedigree.

Spring Broadhooks A 2d 2547057
Red, Mr. & Mrs. C. A. Butland

VICTORIAN VIKING LAD- Here is a bull which hasn't been pushed, so will not carry the growth that some do at his age. Nevertheless, he is thick and stands on sound legs. He is a half-brother to Glenoke farms grand champion and top selling female at last fall's sale, both being sired by Glenoke Monarch. His grandsire is the 1961 reserve interbreed champion Westmere Outlook, by the \$8,500 imported Pittodrie Monarch. Lad's dam is a very good matron from the Broadhook's family. Ready for limited service.

RENOWN'S EMMETT - A young bull with a lot of outcome. His mother stood up high in the shows when we showed her. This is Allwood Renown and Barbarian cross.

ATTENTION, JUNIOR MEMBERS!

ALLAN BURR - LONE TREE, IA.

Shown above is Allan Burr, Lone Tree, Iowa with his flashy white, home-raised heifer, which was chosen champion heifer at the first Junior Shorthorn Preview Show at Hawkeye Downs on July 16, 1967. She later was reserve champion at the All Iowa Fair. The reserve champion at the preview was a heifer shown by Dan Stoner, Mt. Vernon. She went on to win her class at the Iowa State Fair.

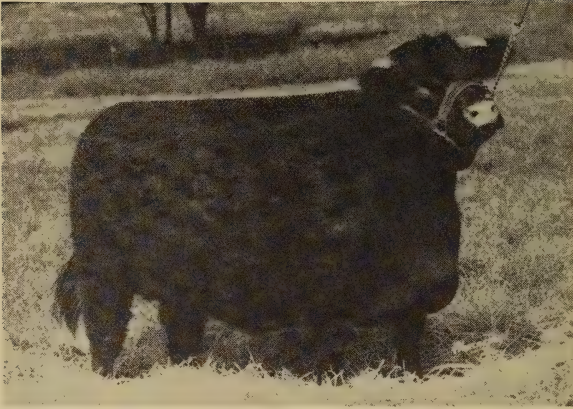

The champion steer at the preview show was shown by Sharon Schilder, Malcolm. This steer later placed high at several large shows. He was 2nd in his class at Iowa, and champion Shorthorn, and reserve champion over all at the International. He also did well at Denver.

Reserve champion was shown by Ken Loughren, Masonville. Chuck Shada won the heavyweight class, with the steer later made grand champion at the All Iowa Fair, and Shorthorn champion, and reserve champion over all at Iowa.

These Jr. preview shows will become an annual event, giving Jr. members an opportunity to show their projects prior to county and district fairs.

We are encouraging Jr. members to attend the Hawkeye Downs sale on March 9, and look over the outstanding selection of Jr. heifers, many of which are potential winners in the 1968 shows. Let's keep these championships in the Hawkeye Downs area!

HICKORIES ROAN SULTANA - A roan heifer selling young, but a prospect for club work, by Hickories Express.

Reserve Grand Champion over all breeds in the 745 head Iowa State Fair steer show in Des Moines was the Champion Shorthorn, shown by Chuck Shada, Anamosa, Iowa, right. This steer was also Champion Shorthorn at the All Iowa Fair, and was fitted and shown by a Jr. member of the Hawkeye Downs area.

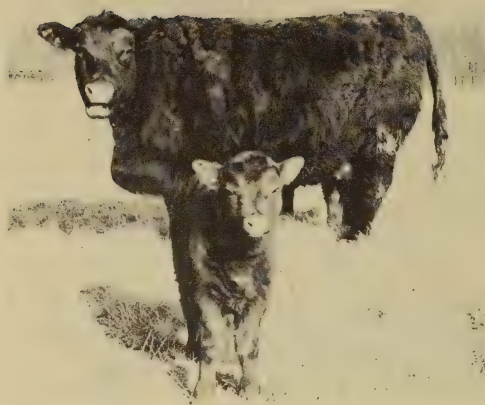

BRING YOUR FRIENDS!

The above picture, showing bleachers surrounding the sale ring filled with interested, attentive, potential buyers is a preview of what we hope to see at Hawkeye Downs on March 9. With an outstanding offering of herd bulls, and an equally outstanding number of replacement cows and heifers, there is something for everyone. Be it the established purebred breeder who wishes to further improve his herd, or the farmer who wishes to expand his operations with a herd of purebred cattle. Possibly the 4-H or FFA boy or girl, who wishes to start his or her own herd; either for a start for farming and cattle raising, or to finance his college career.

One of the most important persons who attends our sale, is the commercial cattleman, who is looking for an outstanding herd bull to use in his cross-breeding program. Shorthorn bulls have been proven to be excellent for this purpose, as many satisfied commercial men can testify.

Come, bring your neighbor, and look over these Shorthorns. There's bound to be one to please you.
